## 2018 Medical Mission

### April 29 through May 5, 2018

Dear.....,

Every year Mbaise USA embarks on a medical mission to Mbaise, Imo State Nigeria to provide first class healthcare services to our kits and kins who cannot afford to see a healthcare professional. It's that time of year again when we solicit resources from generous people like you to prevent untimely death of our brothers and sisters from preventable and curable diseases.

Mbaise USA medical mission provides these free medical services to our people:

Primary care services to all ages, surgery, eye care, dental care, ENT services, Malaria screening and treatment, HIV/AIDS screening and counselling, medication and health education.

For Mbaise USA to continue to provide the above free medical services, we need your financial assistance and material donation – medical supplies and medicines. Please make your check payable to Mbaise USA or you can make a direct deposit to Mbaise USA Chase Bank account number: 63390328 | Routing # 111000614.

We are very thankful to you for your anticipated donation. We pledge to you that all your financial and material donations will be used for its intended purpose, medical mission to Mbaise. Also, your donation is tax deductible as Mbaise USA is a 501C3 organization recognized by IRS.

Sincerely,

John Nwokokoroku
